

## REQUIREMENTS IN RELATION TO FEES

**Service providers are required to create a Fees List for every DCEDIY Childcare Programme that they provide.**

The Fees List will outline what sessions are provided under the CCSP Saver Programme, the number of days provided, and the full fees charged. Any deposits, discounts etc. must also be documented. **If deposits, discounts, etc. are not collected, this must also be completed on the fees list.**

**Deposits** may be charged but are limited to the equivalent of 2 weeks' payment. The full amount of the **DCEDIY subvention held on deposit must be refunded** to the parent/guardian **once the child's registration is approved.**

Information relating to deposits or any discounts offered must always be displayed in an area accessible by parents.

Fees for existing service options may only be changed in writing with a **notice period of 20 working days after being approved by the local County Childcare Committee (CCC).**

For further assistance or if you have any queries please contact your local CCC. Contact details for your local CCC can be found at [myccc.ie](http://myccc.ie).

Please note fees cannot be increased beyond September 2021 rates if availing of Core Funding
